INFORMATION DISCLOSURE STATEMENT

Commissioner for Patents
P.O. Box 1450
Alexandria, VA 22313-1450

Sir:

Applicant(s) hereby submit this Information Disclosure Statement under 37 C.F.R. §§ 1.56 and 1.97(b) to bring to the attention of the Examiner the documents listed on the attached PTO Form 1449. It is being filed more than three months after the filing date but upon information and belief before the mailing date of a first office action. Thus, no fee is required.

Should a first Official Action have been issued on the same day as or before the filing date of this Information Disclosure Statement, please charge the petition fee to our Deposit Account No. 501324 and proceed to consider this Information Disclosure Statement.

This submission does not represent that a search has been made or that no better art exists and does not constitute an admission that each or all of the listed documents are material or constitute "prior art." If it should be determined that any of the listed documents

[Faint handwritten notes and stamps at the bottom right]

do not constitute "prior art" under United States law, Applicant reserves the right to present to the office the relevant facts and law regarding the appropriate status of such documents.

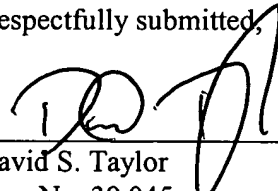

Applicant further reserves the right to take appropriate action to establish the patentability of the disclosed invention over the listed documents, should one or more of the documents be applied against the claims of the present application.

This Information Disclosure Statement is intended to be in full compliance with the rules, but should the Examiner find any part of its required content to have been omitted, prompt notice to that effect is earnestly solicited, along with additional time under Rule 97(f) to enable Applicant to comply fully.

Consideration of the foregoing plus return of a copy of the herewith Form PTO 1449 with the Examiner's initials in the left column per MPEP 609 are earnestly.

May 8, 2006
Date

Respectfully submitted,
